Replacement installation of customer-supplied bathroom exhaust fans in existing openings.

SIMPLE PROCESS

How It Works

A straightforward booking process built around clear scope, upfront pricing, and clean installation work.

1

Choose Your Service

Start with one of the common bundles below, or build your own request using the pricing table and booking form.

2

Submit Your Request

Provide your service details, address, and any relevant notes so the job can be confirmed properly.

3

Receive Your Scheduling Link

We'll follow up with the next available scheduling options once the details are confirmed.

4

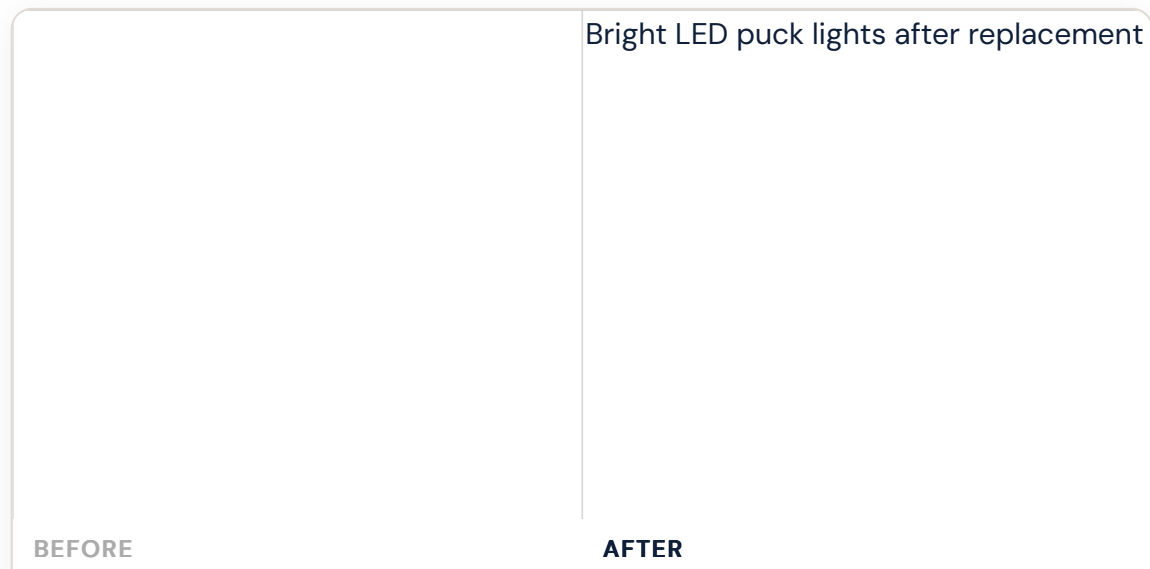

Installation Day

We remove the old item, install the new one, test it properly, and leave the area clean.

OUR WORK

Before & After

Real jobs, real results — clean installs that make a visible difference.

Recessed Lighting Upgrade

Dated bulb-based cans replaced with LED pucks — brighter, lower power, adjustable color temperature.
